Dear Mr Dyall,

I am contacting you with regards to your school group which travelled with Brittany Ferries on our Cherbourg to Poole crossing last Friday 25<sup>th</sup> May.

One of our senior managers was also on the crossing and he wanted us to pass on his praise for the behaviour and conduct of the pupils & staff.

Unfortunately such behaviour is not always the case with UK or French school groups and he felt you should be proud of their conduct and it was important this should be communicated to you and the group concerned, it certainly goes a long way in revitalising our faith in the UK education system.

Yours sincerely
