

Castlecroft Primary School

Castlecroft Primary School Sports Premium Impact Statement Sept 2017 – July 2018

Achievement

Sports Clubs

- 79% of children in KS2 regularly attended at least 1 lunchtime or after school sports club (an increase of 5%).
- 45% of children in Years 1 and 2 regularly attended at least 1 lunchtime or after school sports club (an increase of 21%).
- 66% of children that are registered as SEN in KS2 have regularly attended at least 1 lunchtime or after school sports club (an increase of 6%).
- 68% of children that are registered as Free School Meals in KS2 have regularly attended at least 1 lunchtime or after school sports club (an increase of 2%).
- 78% of children that are receiving Pupil premium have regularly attended at least 1 lunchtime or after school sports club (an increase of 8%).
- 100% of LAC children in KS2 regularly attend at least 1 lunchtime or after school sports club.
- There have been 11 after school or lunchtime sports clubs offered covering 7 different sports with a club on offer to every year group from Reception to Year 6.
- Formal Cool Kids morning sessions have been delivered to targeted children 3 times a week.

Swimming

- *Sept 2017 - July 2018 Year 6 Cohort:* At the end of Yr6 there were only 2 non-swimmers out of a Yr6 class of 35 children while 94% of the class of 34 children achieved 25m at swimming. (The class contained 2 Visually Impaired children). This has been delivered through school teaching staff.
- We have now introduced weekly swimming lessons for our Yr5 children in preparation for their Year 6 swimming lessons. This is anticipated to impact greatly on their end of Year 6 swimming ability.

Inter-school competition

- There have been 30 opportunities for children to participate in competitive sport against other schools covering 6 different NGB sports.
- As a school, we entered 4 'b' sports teams and 2 'c' sports teams.
- 69% of our Year 6 children have represented the school in a Level 1 or 2 School Sports competition.

Success

- Wolverhampton School's Cross-Country Relay – Girl's 3rd Place.
- Penn Area Cross Country Relay – Girl's 3rd place/ Boy's 4th Place.
- Cross Country City Finals – W-ton 3rd Place – 2 boys and 3 girls qualified for the finals.
- KS1 – Multi-skills – 3rd Place.
- Year 6 In2Hockey Competition – Wolverhampton City Joint Winners.
- KS2 – Gymnastics Competition – 6 medals.
- KS1 Gymnastics Competition – 3 medals.

Bikeability

- Bikeability level 1 was delivered to all Year 4 children and level 2 was delivered to Year 6.

Leadership

- Our achievements in PE have been recognised by the award of the Sainsbury's School Games Gold Award, the fourth year running.
- We now have an established curriculum that has been designed to be in line with competitive school sports within Wolverhampton, organised by the Wolverhampton PASS team. We have reviewed our scheme of work and developed a new matrix that ensures the children have a broad and balanced curriculum.
- We now have an increased programme of extra-curricular activities that we have built around the Wolverhampton Primary Schools School Sport competition schedule for 2017/2018. By combining this with our new PE curriculum we aim to develop stronger sports teams to help us improve at competitions and allow our gifted and talented children in sport greater opportunities.
- We now have an established tracking system in place to track the participation of all children in school sport within school and outside of school and identify vulnerable groups.
- This Summer (2018) saw the school plan to trial a self-sustaining Summer Sports Club, opening up access to the school through the Summer Holidays and targeting children who may not otherwise be able to attend sports facilities/clubs.

Teaching

The impact of having a specialist teacher (Mr Morgan – PE co-ordinator) for PE at school is as follows:

- Staff and students on their teaching placements have been able to work closely with Mr Morgan to learn about the PE syllabus and how to teach a high-quality lesson.
- Mr Morgan has developed a close link with Smestow Secondary School to provide opportunities for PE students to gain regular experience of assisting with PE lessons.
- Through CPD opportunities provided by the PASS team:
 - In conjunction with the Wolverhampton PASS team Mr Morgan (PE co-ordinator) has attended Modules 1,2,3,4,5,6 of the Youth Sport Trust PE co-ordinators course.
 - Mr Morgan attended the Black Country Primary PE and Sport Premium Conference 2018 along with Mrs C Myatt, PE link Governor.
 - Mrs SturmeY (Yr6 TA) has completed renewed her National Pool Rescue Award allowing us as a school to deliver swimming lessons 'in house'.
 - Mrs SturmeY has maintained her gymnastics training allowing us to deliver gymnastics 'in house'.
- KS1 staff have regularly assisted with after school sports clubs to aid staffing and observe good practice from the PE co-ordinator.
- A much greater degree of continuity between PE lessons and improved use of equipment, hall-time, and linkage between curriculum and competitive sport.

Behaviour

- Playground behaviour has improved considerably with recorded incidents reduced. Lunchtime sports clubs have provided a greater focus, particularly in Infant playtime where KS2 children take on the role of playground leaders.
- Improved behaviour in KS2 playground at lunchtime through pupils actively engaging in sports clubs.
- Engagement of children in PE lessons has improved considerably with instances of misbehaviour rare.

Social, Moral, Spiritual, Cultural

- Children are now taking a much greater ownership of their own PE lessons and development.
- Children show a much more positive attitude towards all aspects of health and well-being.
- There is a positive attitude shown towards competition and competitive sport by the whole school – illustrated particularly in our school Sports Day.
- The quality of leadership now being shown by the children – every child in our Year 6 class was heavily involved in the organisation and delivery of our School Sports Day and have played a huge part in working as sports leaders, helping to run competitions for their peers. 13 of our Year 6 class planned and delivered Sports Relief Day, while we also had 2 Year 6 children supporting KS1 gymnastics club.
- By placing children in a leadership role, the younger children in school have developed positive relationships with the older children and gained confidence.
- Sports Leadership provides opportunity for older children to teach and care for our younger children, experiencing the reward that a caring position of trust brings. It also crystallises the importance of their conduct as role models. Behaviour of this group of pupils is vastly improved.

Healthy Schools

- Obesity levels in Year 6 fell from 23.7% (12/13-14/15) to 13.7% (14/15-16/17) below the National average of 19.6%.
- Obesity levels in Reception have remained constant at 6.6% (12/13-14/15) and 6.5% (14/15-16/17) below National levels of 9.3%.
