

Dear Parents and Carers,

8th January 2025

Happy New Year! I do hope that you all enjoyed a wonderful Christmas and that your child is looking forward to the new term. We have a number of exciting things to look forward to over the next two terms and I have attached a list of dates for your information.

The INSET day on the 6th January was used to provide all staff with training on cyber security and online safety as well as training on effective use of Microsoft teams

A few polite reminders:-

Please can I remind all parents that the school day begins at **8.55am**. All pupils should be in school at this time. The gate to the playground will be locked shortly after this time and pupils who are late will need to access school via the school office.

It is really important that children wear the correct uniform to school. Towards the end of last term a number of children had started to wear trainers instead of school shoes and on PE days children were wearing tracksuits that were heavily branded or not navy or black.

Please can I ask that all ParentPay accounts are paid up to date ready to start the new term. Please note that the school policy is that all money owed on ParentPay accounts should be paid by the end of each month at the latest.

A polite reminder to park considerately when dropping off or picking up your child. We regularly receive complaints from residents of parents blocking their driveways. We also receive complaints off parents and residents of people driving across pavements to park on grass verges. This is not only churning up grass but it is also extremely dangerous.

Our after school Football Club run by Soccer 2000 starts this Friday 10th January.

Yours sincerely,

Mr A Dyall,
Headteacher.

"We are all different, we are all special"
